MISSION STATEMENT

California Pacific Charter will harness the power of a flexible learning environment and modern educational technology to serve learners with diverse backgrounds and goals who seek an education alternative that stimulates and supports independent learning. Through the power and flexibility of its standards-based online curriculum, combined with superior individualized support, California Pacific Charter will provide an inspirational learning environment with enriched, rigorous academics and high standards to empower students to become self-motivated and competent lifelong learners who will make a positive impact in their communities.

Our mission is to create a diverse and individualized learning environment that supports every student and strengthens relations between families, programs, authorizers and the community. With a strong foundation of award-winning educator experience, we provide organizational and professional support to charter programs so that they can focus on creating customizable learning for any student.
